

Chris Shepherd

Chris Shepherd was born, raised, and played multiple sports in Fort Worth, Tx before being awarded a scholarship to play football at Southwest Minnesota State University.

Obtaining a BA in Science set Chris on a path of mastering the art of athlete development. Reaching back, helping other athletes reach dreams come true by perfecting their craft and securing collegiate scholarship along with overseas and stateside opportunities to play professionally means a great deal to him.

Chris now targets his efforts in paring athletic training and representing athletes as an agent at Pro Skills Sports Management.
