Sean Miller (ex- Head Coach Arizona Wildcats)

“He's not a star, nor was he ever intended to be. But on a team with three freshmen projected as first-round draft picks (Josh Green 18th, Zeke Nnaji 22nd, Nico Mannion 48th) he's averaging 8.2 points and shooting 37.6 percent from 3-point range -- in addition to plus-defense as a lengthy perimeter defender.

“Taking care of the ball, when he's solid in that area, that's a big deal,” the head coach said. “I think if he's not our overall best defender, he's one of two. When he's solid, it becomes contagious. It helps other people be solid on defense. When you talk about experience, there's nobody on our team who's more experienced than Dylan.”
